For Reservations: Telephone 480-967-8551

Reservations open starting at 8:00 AM on the first business day of the prior month.

(For example, reservations for items in January are taken starting at 8:00 AM on December 1st. Keep trying until you reach an actual person. Leaving a message does not get you on the reservation list.)

You may sign up ONLY FOR YOURSELF on MEAT products. On other products, you may sign up for yourself and one other person. You may sign up for each of the products we produce that month, but only **once for each product**. For instance, October has pear sauce scheduled on more than one day and jam on one day. You may sign up for only **one** day of pear sauce plus the jam. **Waiting lists** are the same. You may be on **one** waiting list for pear sauce and only **one** for applesauce **if you are not on the actual shift for that product. You may not be on the actual shift and a waiting list for the same product; for example, Tuesday's applesauce and Thursday's applesauce waiting list.**
